

Division of Boating and Waterways (DBW) Erosion Control Projects Receiving Local Assistance Funding, State Fiscal Years 2010/11 Through 2015/16

- Below is a list of erosion control projects that have been approved for Local Assistance funding through the State budget process since fiscal year 2010/11.
- The source of State funds for all projects listed below is either the Harbors and Watercraft Revolving Fund or the Public Beach Restoration Fund.
The State has not provided General Fund support for DBW's coastal erosion control projects since fiscal year 2000/01.
- All of these projects receive additional cost support from local sources. Many receive federal funding as well.
- The Rincon Parkway Shoreline Restoration Project listed below was cancelled before DBW expended any of the grant funds budgeted for it.
