

## DBW Committees Descriptions

- **Public and Private Sector Business Committee**
  1. **Committee involves:**
    - Public sector small craft harbor administrators i.e. Port of San Diego, County of Los Angeles, City of Alameda, Redondo Beach.
    - Public sector marina operators i.e. City of Long Beach, City of Brisbane, County of Ventura, Sonoma County.
    - Private Sector salt water marinas i.e. CA Yacht Marinas, Almar Marinas, West Point Marina, Village West Marina, Clipper Yacht Co.
  2. **Committee involves:**
    - Public sector lake administrators i.e. U.S. Bureau of Reclamation, Big Bear Municipal Water District, County of Monterey
    - Private sector freshwater marinas i.e. CA Parks Co, Forever Resorts, Lake Sonoma Marina.
      - Loan Committee
  
- **Law Enforcement Committee**
  1. **Committee involves:**
    - Harbor Patrols, Sheriffs, Port Police.
  
- **Boaters Committee**
  1. **Committee involves:**
    - Boater groups, Yacht Clubs
  
- **Technical Advisory Committee**
  1. **Committee involves:**
    - Engineers, Planners, Environmental Experts, Dock Builders
      - Social Media and Imaging
  
- **Stratcom- Strategic long range planning (should be headed by Vice Chair)**
  1. **Committee involves:**
    - Key forward thinking members from each of the other committees.

Committees should be small (less than 10), meet typically by conference call, or if possible around a DBW Commission meeting. The exception is Stratcom which would hopefully be, in person, in a full emersion atmosphere.
