

Help Keep California Waterways Clean!

BRING ALL YOUR TRASH BACK TO SHORE

- Stash your trash on-board in a designated trash bin and save cans and bottles for recycling.
- Remove product packaging at home. Pack your food in reusable containers.
- Cigarette butts are the most common type of litter found washed up on beaches and are not biodegradable. Place extinguished cigarette butts in the trash.
- Participate in a local marina or beach clean up. Call **(800) COAST4U** or visit www.coast4u.org for organized events in your area.
